Use 160 gr. Cardboard to print. If you can, print the pdo in A3 format! You get a very good result in Colours if you print it in a copy shop with a digital laser printer!

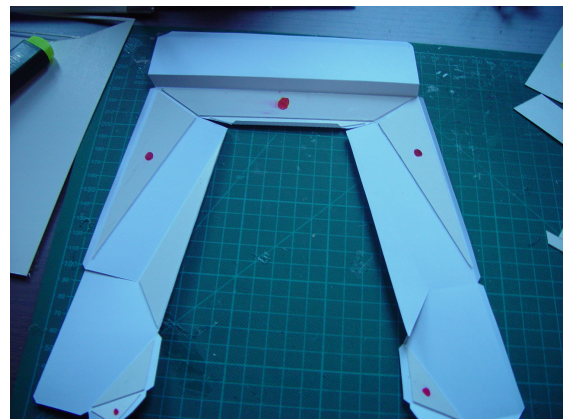

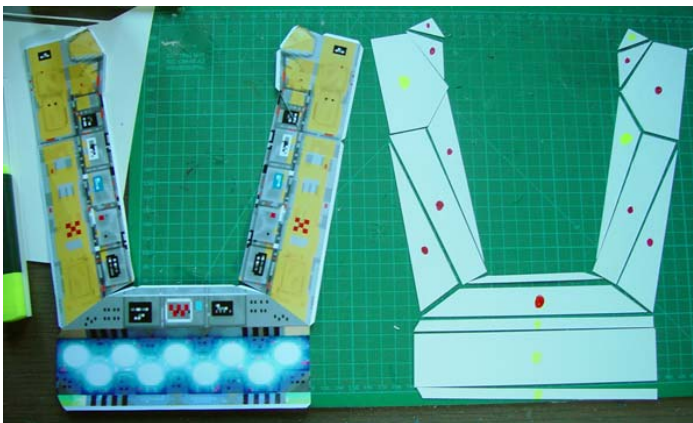

To give the ship a better look, colour all cut edges! Glue cardboard inside as shown on the pics.

Green lines = Glue **Blue** = Cut **Red Dot** = glue cardboard behind  - important tip
Yellow Dot – Cardboard you maybe need later to glue behind a pice.
